NORR Limited Wins ARIDO Interior Design Award of Merit

TORONTO, October 8, 2008 - The Association of Registered Interior Designers of Ontario (ARIDO) honoured NORR Limited with the Interior Design Award of Merit – Collaborative at its 24th annual ARIDO Awards of Excellence gala dinner at the Direct Energy Centre. This award recognized NORR's work on the Renfrew County Courthouse Renovation and Addition Project, led by interior designer Attilio Labriola and design architect, NORR Partner David Clusiau.

This prestigious awards program honours innovation, creativity and professional achievement in the province's interior design industry. Judges of this year's entries chose to recognize 23 designs from 11 separate categories.

'We are delighted to have won this award. Receiving recognition from ARIDO is a great honour,' said Silvio Baldassarra, Senior Vice President of NORR Limited, 'We are grateful to our clients for their suggestions and support during the renovation and addition to the courthouse.'

The jury stated that the project was '...a deft pairing of existing heritage and new elements'. The project previously won an award from the AIA Justice Committee and was the subject of a publication by the Ministry of Attorney General.

This is the second ARIDO award the firm has won in the last two years, the other being for NORR's own Toronto office.
